Automotive

Provides a lustrous and durable layer of protection on ANY automotive surface. Treated surfaces help resist staining, UV damage, and oxidation.

Coat, Beautify and Protect ANY of these surfaces:

- **Painted Surfaces**
- **Glass**
- **Painted Metals**
- **Chromed Surfaces**
- **Engine Cowlings**
- **Engines**
- **Vinyl**
- **Leather**
- **Dash and Side Panels**
- **Rubber**
- **Rims**
- **Wood**
- **Plastics**

Benefits:

- Easy one-step application
- Treated surfaces are easier to keep clean and maintain
- Long-lasting protection from environmental exposure
- Non-toxic
- Environmentally safe

TOP COAT™

High Performance Surface Sealant

The Professional Detailer's Choice

- ***Coat & Protect ANY Surface!***
- ***Easy One-Step Application***
- ***Deep Lustrous Shine***
- ***Out-Performs Traditional Waxes, Polishes & Sealants***

Automotive/RV/Marine

TOPCOAT™

DUCORA
Advancing Solutions Through Innovation & Technology

High Performance Surface Sealant

Environmental Protective Coating

Ducora's TopCoat™ is an environmentally safe, high performance protective coating designed to out-perform and out-last traditional waxes, polishes, and paint sealants in today's environment.

TopCoat™ is an easy one-step application providing a protective and lustrous barrier on all automotive exterior and interior surfaces.

Use TopCoat™ on painted surfaces, fiberglass, metal, chrome, glass, plastics, rubber, vinyl, leather, dashboards, and more.

Use as windshield, windscreen, and window treatment for lasting water repellency.

Because **TopCoat™** is silicone free, surfaces are not left artificially or dangerously slick.

Key Features:

- Contains no solvents, toxic chemicals, abrasive compounds, or silicone.
- Environmentally safe and non-toxic.
- No need to stir or shake.
- Treated surfaces are extremely hydrophobic (water-resistant).
- No orbital or mechanical buffing required.
- Retards the damaging effects of contaminants such as bird droppings, bug splatter, acid rain, brake dust, etc.

Key Benefits:

- Easy one-step application
- Treated surfaces are easy to clean and maintain.
- Long lasting formula saves money.
- Multiple surface protection minimizes use of other costly products.
- No unsightly wax residue left behind.
- Formula maximizes depth of color with minimal effort.

Caution: Keep out of reach of children!

Made in USA

Marine

Provides a lustrous and durable layer of protection on ANY marine surface. Treated surfaces help resist staining, UV damage, and oxidation.

Coat, Beautify and Protect ANY of these surfaces:

- **Gel-Coat, Aluminum, Painted Hulls**
- **Anti-Slip Decking**
- **Glass**
- **Hand-Rails**
- **Deck Hardware & Thru Hull Fittings**
- **Bumpers**
- **Engine Cowlings**
- **Engines**
- **Instrument Panels**
- **Vinyl**
- **Leather**
- **Painted Metals**
- **Stainless Steel**
- **Chromed Surfaces**
- **Wood**
- **Plastics**

Benefits:

- Easy one-step application
- Treated surfaces are easier to keep clean and maintain
- Long-lasting protection from environmental exposure
- Non-toxic
- Eco-safe

RV

Provides a lustrous and durable layer of protection on ANY RV surface. Treated surfaces help resist staining, UV damage, and oxidation.

Coat, Beautify and Protect ANY of these surfaces:

- **Gel-Coat, Aluminum, Painted Surfaces**
- **Glass**
- **Hardware and Fittings**
- **Engine Cowlings**
- **Engines**
- **Dash & Side Panels**
- **Vinyl**
- **Leather**
- **Painted Metals**
- **Stainless Steel**
- **Chromed Surfaces**
- **Rubber**
- **Rims**
- **Wood**
- **Plastics**

Benefits:

- Easy one-step application
- Treated surfaces are easier to keep clean and maintain
- Long-lasting protection from environmental exposure
- Non-toxic
- Environmentally safe
