High Performance Surface Sealant

TOPCOAT® DUCORA

ProCoat EPS

Environmental Protective Systems

Established in 1965, the oldest Dealer warranty program in North America

Ducora's TopCoat® ProCoat EPS is an environmentally safe, high performance Environmental Protective System designed to protect your vehicle from exterior to interior, out-performing and out-lasting traditional polymers, protective coatings, and sealants.

TopCoat® ProCoat EPS, when applied professionally, is a warranted coating providing a protective and lustrous barrier on automotive paint surfaces and a protective barrier on interior surfaces such as Vinyl, Leather, and Carpets for up to 5 years!

Key Features:

- Contains no toxic chemicals, abrasive compounds, or silicone
- Environmentally safe and non-toxic
- Treated surfaces are extremely hydrophobic (water-resistant)
- No orbital or mechanical buffing required
- Retards the damaging effects of contaminants such as bird droppings, bug splatter, acid rain, brake dust, etc.

Key Benefits:

- Professional two-step application
- Treated surfaces are easy to clean and maintain
- Multiple surface protection
- No unsightly wax residue left behind
- Formula maximizes depth of color with minimal effort
- UV resistant

Use TopCoat® High Performance Sealant Maintenance kits, found at your Dealer, to help maintain your TopCoat® ProCoat EPS vehicle.

Caution: Keep out of reach of children!
