YOUR AUTO MANUFACTURER HAS SEVERAL KEY RECOMMENDATIONS TO MAINTAIN YOUR VEHICLES APPEARANCE, THEREBY ADDING VALUE TO YOUR VEHICLE AT TRADE-IN TIME.

STEP 1. Wash your vehicle regularly.

Step 2. Wax your vehicle once a month.

Step 3. In some parts of the country, pressure washing the under-carriage thoroughly is a necessity to remove road salt, mud, and debris caught in any crevices underneath your vehicle which would lead to corrosion.

YOUR OWNER'S MANUAL HAS A SECTION ON APPEARANCE CARE WHICH GIVES FURTHER INSTRUCTIONS FOR INTERIOR CLEANING AND MAINTENANCE.
