

Ducora's TopCoat™ is an environmentally safe, high performance protective coating designed to REPLACE, out-perform, and out-last traditional waxes, polishes, and sealants.

TopCoat™ is an easy one-step hand application providing a long-lasting protective and lustrous barrier on multiple surfaces.

TopCoat™ will: Maintain an incredible shine on stainless steel while reducing finger prints. Reduce hard water stains on shower glass and tile. Protect vehicles from bird droppings, bug splatter, acid rain, brake dust, and environmental damage. Reduce UV oxidation damage on boats, RVs, and more!

TopCoat™ Multi-Purpose Sealant can be used for vehicle, boat, RV, or Kitchen (Ex: Stainless Steel), Bath (Ex: Shower glass and Tile), patio (Ex: Grills), plus more!

KEY FEATURES:

- Contains no solvents, toxic chemicals, abrasive compounds, or silicone.
- No need to stir or shake.
- Treated surfaces are extremely hydrophobic (water-resistant).
- No orbital or mechanical buffing required.
- Advanced Siloxane technology enables users to Multi-coat, enhance, and protect a wide range of surfaces.
- No VOC's so TopCoat™ can be used indoors without any caustic fumes!

KEY BENEFITS:

- Easy one-step hand application.
- Treated surfaces are easy to clean and maintain with only water.
- Long lasting formula saves money.
- Multiple surface protection minimizes the use of other costly products.
- No unsightly wax residue left behind.
- Formula enhances depth of color with minimal effort and product.

SATISFACTION GUARANTEED OR YOUR MONEY BACK!

(Terms: 30 day money back guarantee from date of purchase with proof of receipt. Customer responsible for shipping. Visit www.TopCoat.tv / "TopCoat™ Guaranty" for details.)

TOP COAT™

Multi-Purpose
**HIGH PERFORMANCE
SURFACE SEALANT**

*Coat & Protect Multiple Surfaces
Easy One-Step Hand Application
Eco Friendly Green Technology
Deep Lustrous Shine*

*Replace and Out-Perform
Traditional Waxes,
Polishes, and Sealants*

Net Contents: 16 oz./473.1 ml

Directions: For best results apply to a clean cool surface. Sparingly mist TopCoat™ directly onto ANY surface intended for protection and spread product using a clean, dry microfiber towel. Buff excess product into the surface using a clean, dry microfiber towel, turning to a dry portion of the towel for the final buff. Do one area at a time, move to the next and repeat the process.

Note: Especially on glass, chrome, and other high gloss surfaces, rebuff using another clean, dry microfiber to ensure a streak free shine!

Note: 1 ounce of TopCoat™ will coat an entire vehicle!

Use TopCoat™ on painted surfaces, fiberglass, metal, chrome, glass, plastics, rubber, vinyl, leather, stainless steel, tile, and more. Use as a windshield or window treatment for lasting water repellency.

Caution: Keep out of reach of children!
