

TopCoat™ Quick Gloss Spritz is an environmentally safe, high performance "Quick Gloss" coating intended for the person who doesn't have the time but wants the shine! **TopCoat™ Quick Gloss Spritz** was designed to work with **TopCoat™ High Performance Surface Sealant**, effectively maintaining and enhancing any surface quickly.

TopCoat™ Quick Gloss Spritz is an easy, one-step, hand application providing a "quick gloss" shine. Use to preserve, prolong, and protect your vehicle in between **TopCoat™** sealant applications, after washes, or for quick polishing.

Use TopCoat™ Quick Gloss Spritz on painted surfaces, fiberglass, metal, chrome, glass, plastics, rubber, vinyl, leather, dashboards, and more. Use as windshield, windscreen, and window treatment for lasting water repellency.

Key Features:

- Contains no solvents, toxic chemicals, abrasive compounds, or silicone
- No need to stir or shake
- Treated surfaces are extremely hydrophobic (water-resistant)
- No orbital or mechanical buffing required
- Retards the damaging effects of contaminants such as bird droppings, bug splatter, acid rain, brake dust, etc.

Key Benefits:

- Quick one-step hand application
- Treated surfaces are easy to clean and maintain
- Designed to bond with **TopCoat™ High Performance Surface Sealant**
- No unsightly wax residue left behind
- Formula maximizes depth of color with minimal effort

The Professional Detailer's Choice

TOP COAT™ Quick Gloss Spritz

*Spritz & Gloss Any Surface
Quick Hand Application
Deep Lustrous Shine*

Automotive/RV/Marine

*The quick gloss spritz
to a showcar shine!*

Net Contents: 16 oz./473.1 ml

Directions: For best results apply to a clean cool surface. Mist product directly onto ANY surface intended for a quick detail gloss and spread using a clean Microfiber cloth. Buff excess product using a clean microfiber, turning to a dry portion of the cloth for the final buff. Do one area at a time, move to the next and repeat the process.

Note: Especially on glass, chrome, and other high gloss surfaces, rebuff using another clean, dry microfiber to ensure a streak free shine.

Caution: Keep out of reach of children!
