

In over 50 years of caring for the appearance of numerous vehicles, including 38 new cars of my own & one Classic 1963 Fairlane 500 SportCoupe ( last painted in 1987 with Ford Raven Black Enamel ) I have been fortunate in finding Ducora's Top Coat and enjoying its ease of use + excellent results in producing a flawless streak free finish. In the past 2 years I have enjoyed Ease of Dusting at & between Shows + the Protection that Top Coat gives me. My Classic gets lots of attention and positive comments wherever I go and no one can believe that the paint finish is 25 years old !
