I first purchased Top Coat for my Harley and it worked so well I used it on my Silverado then I had to do her mazda suv. WELL Brenda thought she would try it on the shower doors, then the refrigerator then she asked me to do the windows in the sunroom.

What I am trying to say is I want to thank the people of TOP COAT for creating a total TOP COAT home, I want a Bill Board put in my yard for your company and my wife put on your payroll because my wife is killing me with top coat chores. (THE TRUTH IS I LOVE YOUR PRODUCTS AS MUCH AS SHE DOES.)
