Complementing the Rennsport Reunion IV venue is the Porsche Race Car Classic, an exclusive concours held at nearby Quall Lodge in Carmel on Sunday October 16th. Steve Heinrichs, producer of the Porsche Race Car Classic, explained, “this once-in-a-lifetime gathering of vintage Porsche race cars solely from Porsche’s break-out era of 1950-1965 will raise critical funding to directly support lung cancer research. We’ll have Gmunds, Gloccklers, 550s, 718s, 804s, 904s, 356s, Abarths and more – in numbers and provenance never before seen.”
